

MENDHAM PARISH COUNCIL

Road Closure notice from Suffolk Highways

Dear all,

For your information, we are planning to carry out pre surface dressing road repairs along U5083 Mundys Lane, Mendham. The works are programmed to take place between 2 and 6 August 2021. The road will be closed for the duration to ensure that we can carry out our works safely.

For the duration of the road closure, traffic will be diverted via South Elmham Road, Foxes Lane, Withersdale Road and vice versa.

As we plan roadworks in advance, we schedule extra days to allow for bad weather or other delays beyond our control. If we need to make major changes to our work dates, we will update the information signs on site.

A plan showing the diversion route for these works is attached to this email. When we close the road and put a diversion in place, the route needs to be accessible to vehicles of all shapes and sizes. We make our diversions as clear as possible by placing appropriate signing along the route. The latest updates on our works can be found on our website at "[Temporary road closures for Suffolk Highways roadworks](#)" and on [One.Network](#) website.

There may be times that essential emergency works are required to take place on the highway network without advanced notice – you can follow [Suffolk Highways on Twitter](#) for the latest emergency roadwork updates.

Please could you use any contacts within your division or parish to circulate this notification. Please contact us on 0345 606 6171 if you have any questions.
